## CERTIFICATION

I understand that if I make any use of the item other than retention, demonstration, or display while holding it for sale in the regular course of business, I must pay use tax in that state or country measured by the purchase price of such property or other authorized amount. I further understand it may be a criminal offense to give a seller a resale certificate for a taxable item which I know, at the time of purchase, is purchased for use rather than for the purpose of resale, lease or rental. I certify that these purchases are exempt per the appropriate laws of the state or country of purchase and that the information on this certificate is true, accurate and complete.
